

No Two Trade Publications Deliver So Much Value for Your Dollar

The Magazines:

Traditional Building and *Period Homes* are highly specialized, national trade publications. The editorial content is devoted to historical products: where to find them, how to evaluate them, and how to use and install them. Published February, April, June, August, October, and December *Traditional Building* has served the commercial/institutional, restoration, renovation and historically inspired new construction markets for 19 years. *Period Homes*, launched in 2000, serves the residential restoration, renovation and historically inspired new construction markets. *Period Homes* is published January, March, May, July, September, and November.

The Audience:

Traditional Building

48,000 architects, general contractors, project managers, engineers, interior designers, developers, building owners, facilities managers, city planners, sub contractors, craftspeople, preservationists and landscape professionals who specify/purchase traditional building products for commercial and institutional buildings such as historic hotels, retail, office, schools, churches, loft apartment conversions, state capitols, and court houses.

Period Homes

43,000 custom builders, architects, interior designers, and large scale renovators who specify/purchase traditional products for high-end residential buildings.

The Websites:

www.traditional-building.com

www.period-homes.com

www.traditional-building.com was launched in October 1995. Links and product information on 552 suppliers in 228 product categories and 14 super categories are indexed on the site.
